OVERVIEW OF RIDE

This is our seventh year hosting this endurance ride and our third year offering Ride And Tie in the Northeast Region, held in the Charles E Baker State Forest (also known as the Brookfield Trail System). We are also having a CTR/CTD on Saturday and will accommodate Ride And Tie entries for both days! The ride is being held on Saturday May 25th and Sunday May 26th, 2024.

Trail is combinations of dirt and gravel truck service road, grassy snowmobile paths and rocky single track trail. We recommend boots or shoes. There will be a farrier on site during the ride.

We are offering two RNT distances on Saturday, 12-25 and three Ride-N-Tie distances on Sunday 12-30-50. All holds are in base camp.

Bring your current coggins and rabies paperwork to show at the time of check-in. If you do not have your current coggins (dated within one year of the ride date) we cannot allow you to camp at, or compete in, the ride. All dogs must be current on rabies vaccines.

CAMPING

Riders are welcome all weekend. Visit the campground website for information www.purecountrycampground.com All camping and stall arrangements are with the campground. Jim 607.847.9265

There are several sites available with full electric and water hookups. Reservations will be taken on a first come first served basis. YOU MUST CONTACT JIM to reserve your spot, whether it is a campsite or rough camping in the field. YOU WILL BE REQUIRED TO PAY THE CAMPGROUND for the camping fees.

There are hot showers and clean bathrooms at the camp (YAY!)

CHANGES! NEW MANAGEMENT! The campground no longer has a public kitchen. The club house has been renovated into a restaurant and is closed to the campers. They will be providing our Saturday evening meal, cost is \$15.

The campsite also offers 20 pipe/tarp stalls @ \$20/night and 10 box stalls @ \$40/night. If you wish to reserve a stall, please contact the campground directly at the above website link.

Dogs are welcome and must be leashed or confined at all times. Dogs found running around the camp will be held hostage for a \$50 fine!

MANURE REMOVAL! All campsites are to be completely free of debris, manure, hay, straw, shaving, etc. You will be charged on your credit card used for camping if you leave your camp site or stall uncleaned.

RIDING

All AERC rules are to be followed by all riders, whether entered in the ride or not, while on site. Mounted riders must be wearing ASTM/SEI approved helmets and a liability release on file. If you (the rider) will be riding on the off days with a friend who is not entered into the ride, please be certain that friend has a liability release on file with ride management. Non-competitors could be on trail during the competition on Saturday May 25 and Sunday May 26, 2024. Please exercise courtesy and good judgment in passing these non-competitors as to avoid accidents. Any rider reported as being discourteous or dangerous will be disqualified.

Water for the horses is freely available over the entire campground. On trail water is available every couple miles, either a natural water source or a water tub.

In the event that your horse requires veterinarian treatment at the ride, all services must be paid directly to the treatment vet at time of service.

VOLUNTEERS

We are a No Frill ride but we will have plenty of volunteers available for the rider's needs. There will be help for crewing in the holds! I have many positions available, if your friend wants to come and be a volunteer, the positions available are on the website http://newpromisefarms.com/?page_id=4605
